CAREER SUMMARY

In the last four years, I have shared my knowledge with college students exploring the world of design through lecture, hands-on projects, case studies, and real-world examples.

I am a California Licensed Architect with 15 years of experience in project management and design. As Project Leader, I spurred my team of professionals to solve complex situations with creativity, yet on time and in budget.

EXPERIENCE

Assistant Professor *Cañada College, Redwood City, California 2014 - present*
INTD 357 Kitchen and Bath Systems; INTD 356 Residential and Commercial Construction; INTD 350 Commercial Design
